DETAILED ACTION

In response to the Request for Reconsideration filed February 8, 2010

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:
 - a. Claims 15 - 21 are allowable over the Prior Art of Record because it fails to teach or suggest an optical sight comprising a light source including a laser diode located in said tube for emitting light towards said partially reflecting surface to produce a light spot by direct imaging of said laser diode on said partially reflecting surface, said light spot forming an aim point which can be seen in said light channel from said proximal end of said tube to be superimposed on a target observed through said lens when sighting through said light channel from said proximal end of said tube in combination with the remaining limitations of the claims.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yaritza Guadalupe McCall whose telephone number is (571)272-2244. The examiner can normally be reached on 8:00 AM - 5:30 PM.
